We are a team of four members trying to connect the unprivileged people of our nation to state of the art healthcare services through a virtual diagnostic hub with qualified doctors and quick services.

## Our Services

### Consult a doctor

Have a doctor take a look at your symptoms and diagnose you from a remote location. Don't worry! Our doctors are legitimate and the services are fantastic.

### Get Prescriptions

Have a doctor take a look at your symptoms and diagnose you from a remote location. Don't worry! Our doctors are legitimate and the services are fantastic.

### Safe Transactions

Have a doctor take a look at your symptoms and diagnose you from a remote location. Don't worry! Our doctors are legitimate and the services are fantastic.
